

Thursday, June 13th Four Points by Sheraton, Norwood, MA Registration: 8:30 AM Program: 9:00 AM -Noon

According to National Mortgage News, mortgage fraud risk is growing and lenders (and their vendors) can't be caught off guard. The current estimate is one in 109 mortgage applications contain an element of fraud. What can lenders do to reduce their susceptibility to fraud risk in 2019 and beyond? In addition, wire fraud is pervasive in our industry, posing challenges to us all. Real estate professionals and their customers continue to be prime targets.

Join us for this interesting and informative program as experts and peers discuss what is transpiring; the industry impact and suggested risk management initiatives for you to consider.
