

Join us for a half-day program on Affordable Lending and learn how to meet more of your borrower's needs!

- What is Massachusetts doing to address the lack of affordable housing?
 - Is there racial inequity in lending?
- It starts from the top -how some mortgage lenders are outperforming their peers
 - What products are available for affordable lending?
 - Where can consumers go for down payment and closing cost assistance?
- How can you increase your reach to first-time and low-to-moderate homebuyers?

Keynote speakers include:

Mike Kennealy
Housing and
Economic
Development
Secretary
Commonwealth of
MA

Paul Willen
Senior Economist
and Policy Advisor
Research
Federal Reserve
Boston
