HMDA 2020 -Challenges, Trends &
Getting it Right!
January 24, 2020**

**Friday, January 24th
Four Points by Sheraton, Norwood, MA
Registration: 8:30 AM Program: 9:00 AM - 2:00 PM**

Join us for a deep dive into HMDA and the continuing challenges of getting it correct. Internal implementation and controls can be challenging no matter what systems you are using. This program will explore current regulatory trends, coding, interpretation and operational challenges. This is a program for people in the weeds actively working with their LOS systems working on user acceptance results, HMDA policies and procedures and employee training.
