

**June, 2022 (Mattapan, MA)**

**Join us as we transform the home of a deserving homeowner in Boston!**

The MMBA will once again partner with Rebuilding Together Boston (RTB) as skilled and unskilled volunteers (you!) to donate time, talent, and resources for a "hands-on" day of home repairs and renovations. This year's family really needs our help – their son is in a wheelchair and needs a replacement of the handicap ramp and walkway. In addition, this home needs a new roof, electric upgrade, and heating system (and more). This renovation is large in scope so we need to raise at least \$60,000. The MMBA website has more details of the homeowner story - together we can transform their lives and provide them with a safer and healthier home.
