

**Join us as we finish transforming the Daniel's home in Boston!**

Since 2016, the MMBA and our members have partnered with Rebuilding Together Boston (RTB) as skilled and unskilled volunteers (you!) to donate time, talent, and resources for a "hands-on" day of home repairs and renovations. In 2022 we met the Daniel family and started the process with a new roof, heating system and electrical. Help us finish the project with installing a new handicap ramp and reconfiguring the first floor with an ADA bathroom. Please help us bring this massive home renovation to the finish line!
